**SUPPORT FOR THE INDO-UZBEK MEET & INTERNATIONAL CONFERENCE
ON TRENDS AND INNOVATIONS IN FOOD TECHNOLOGY FROM FARM TO
FORK**

The Indo-Uzbek Meet & International Conference on Trends and Innovations in Food Technology from Farm to fork comes at a critical time when we must marshal all our resources to prevent a global food shortage brought on by a rapidly expanding world population, deteriorating agricultural environment, and global warming. An all-out effort is required to meet this worldwide food security emergency.
